

Activ

LEAK SENSE

LEAK DEFENCE TECHNOLOGY

Features:

3 LEVELS OF LEAK DETECTION:

- MICROLEAKS - BURST PIPE PROTECTION - SERVICE AREA FLOOD SENSORS
- Live data feedback - Monitoring flow, pressure & temperature
- Remote ON/OFF water isolation • Connect up to 8 remote flood sensors

App Interface:

- Live Flow Rate Data
- Water Usage Calculator
- Live Water Temperature
- WiFi Connected
- Live Pressure Data
- Programmable Parameters
- IOS & Android Compatible

Technical Specification

Maximum Operating Pressure: 8 Bar	8 Bar
Maximum Operating Temperature:	25°C
Maximum Flow Rate:	3600L/H
Protection Class:	IPX4
Power Supply:	230v Plug Transformer - 12v
Minimum Flow Detection:	0.033 l/min
